

# Tahiti

Paradise. What more is there to say? I recently returned from one of the most breathtaking places in the world—Tahiti! Everywhere I turned I found beauty—the clear turquoise of the water, the changing blues of the sky, the myriad shades of green, and the tropical pinks and purples of the exotic flowers.

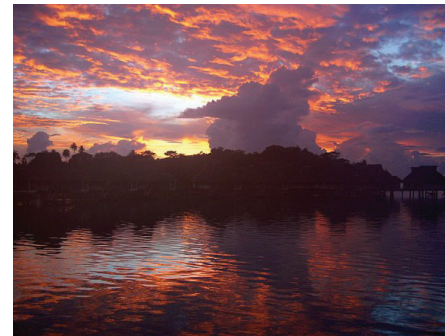

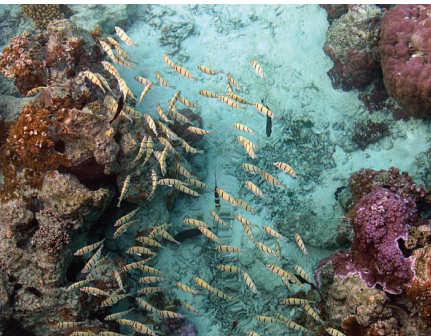

I visited Papeete on the main island of Tahiti, as well as the islands of Moorea and Bora Bora. I toured 22 properties ranging from ultra luxurious to quaint Polynesian accommodations. Tahiti is snorkeling heaven. I stayed in an overwater bungalow and jumped right in to see the fabulous fish and coral formations. I could even watch the fish from inside the bungalow, through the clear window in the floor. The food was fabulous and the seafood was extremely fresh and delicious, with delicate French sauces, prepared in many ways.

If you are dreaming of a tropical getaway, Tahiti is the place to realize your dreams. Please call me for more detailed information and to book your fabulous vacation to Tahiti.
